

JANUARY 2023

we are
JEFFERSON

We are **42,000 people** reimagining health, education and discovery. We are many things, but every day all of us are dedicated to one thing:

IMPROVING LIVES

A photograph of the Jefferson University building at dusk. The building is illuminated from within, showing office spaces. The word "Jefferson" is written in large white letters on the top of the building, with a blue stylized "J" logo to its right. Two American flags are flying on tall poles in front of the building. In the background, a city skyline is visible under a colorful sunset sky with shades of purple, pink, and blue. Notable buildings include the Comcast Center and the Philadelphia City Hall.
